The Gallaudet College basket-ball team held its final scrimmage yester-day also be in much better physical condition than in their last game. Willman, who has been coached to play guard, has been ill the past few days with an attack of the grip. There is some doubt as to whether he will be able to get into this game. Much was expected of him, and it will be a loss to the team if he is not able to play.

It was because of the inability of Kendall Greeners to put the ball through the hoop from the many chances which they had that lost them the contest. Playing this game on their own floor, where they are used to score on him. "Big Six" Rass-formussen is in fine condition and will surely get a chance to show that he as not gone back.
